

# Gold Rush Days

Relive a day in the Ol' West. As you step back in time you will become prospectors in an 1850's mining camp, and also meet some interesting characters.

Stake a claim, learn how to pan for gold, join a posse to bring criminals to justice, try not to get "Gold Fever," and have a great time learning California History - will you *STRIKE IT RICH* or *LOSE IT ALL*?
